The image shows a Zoom meeting interface. At the top left, there is a green checkmark icon. At the top right, the word "View" is displayed next to a grid icon. The main area is divided into two video feeds. The top-left feed shows a man with short dark hair, wearing a white earpiece, with the name "江苏英语华+ Tim Shen" below it. The top-right area contains a logo with the word "CREAT" and a bar chart. Below the top-right video feed, the name "OP4 Ayon" is visible. The bottom-left feed shows a man wearing a white cap and a white face mask, with the name "VIP 4" below it. A blue button labeled "Ask to Unmute" with a three-dot menu icon is positioned above this feed. The bottom-right area of the meeting features the text "UAEC Diana" in white. At the bottom, a control bar includes icons for "Unmute", "Start Video", "Security", "Participants" (with a count of 4), "Chat", "Share Screen", "Record", and "Reactions". A red "Leave" button is located on the far right of the control bar. Below the Zoom control bar, a Windows taskbar is visible, showing icons for the Start menu, search, task view, Edge browser, File Explorer, OneDrive, and several other applications.
